## Our Value for this Half-term is: Resilience

**Being resilient means being able to cope when things get tough.**

**Anyone can learn to become more resilient!**

- We are encouraging children to feel good about themselves
- Put their trust in people to support them in difficult times
- Practice problem-solving
- Looking for the good in a situation and being optimistic is a great way to cope
- Understanding their emotions and not being afraid to show them
- Controlling their thoughts, feelings and actions

We no longer have ties in stock at school. Please order replacement ties from the M & S website. Thank you.
