<b>Y2</b>	Indie Evie	<b>Y3</b>	Eli Samuel	<b>Y4</b>	Erin Roshan

## Welcome Back!

We hope you all had an enjoyable half-term now that some of the restrictions have been lifted.

Here's to a very busy and productive half-term. We've kicked off with our fun Sports and Health Week, which has been a huge success.

## Important Safety Notice

Please can parents remember to drive sensibly in front of the school premises, and definitely **not** reverse and turn around in the gate entrance, especially when children are leaving the school premises.

## Bikeability – Y4 Friday 25 June

Please ensure consent forms are signed and returned to school by Wednesday 23 June, to enable your child to undertake this valuable training. Please complete the Bike Check and provide a cycle helmet for your child too.

Congratulations to **Y2**, last week's winners. Otis joined us on our school trip to Dudley Zoo this week too!

Now we are seeing some warmer weather, please ensure sun cream is applied every day before school as children will be spending lots of time outside in the fresh air.

Please also be sure to send a named cap/hat.

## Please Note:

Due to after-school Tennis Club being cancelled on 11 June because of bad weather, we are tagging on an extra date of **Tuesday 13 July 2021**.
