

Ombersley Endowed First School Car Share Registration Form

As part of the school Travel Plan, we are hoping to set up a car share scheme to help to reduce the number of cars coming to school. Car sharing does not have to be every day or both to and from school – even car sharing just one journey one day a week would help to reduce the pressure on parking outside school. It could also save you time and money.

If you would be interested in taking part in a car share, either by taking other children or by allowing your children to travel with another parent please complete the details below. We are hoping to be able to circulate to interested parents a list of contact details of others who wish to car share so that you can identify a suitable car share partner.
